25X1	SU- pos tar obs gir	including in antry, signal and tank units, the latter with T-34 tanks and SU-100 guns, and totaling several thousand men were said to have left their post at Bacrenstein in the Erzgebirge Mts. for Marienberg and Goerlitz. The tanks and guns were officially bound for Goerlitz. However, no units were observed to arrive in Goerlitz and the vicinity. But it was learned that girlfriends of KVP members of the tank unit living in Bacrenstein went to see their friends in Spremberg.
